Terms and Conditions:

The Current Registrant and the New Registrant enter into this Registrant Name Change Agreement as of the date executed by the final party hereto.

Whereas the Registrant and dotPH Inc have entered into a Domain Name Service Agreement "the Agreement" for the registration and servicing of the PH subdomain.

Whereas the New Registrant desires to register the Domain Name with dotPH Inc. and to that end has read and agrees to the terms specified in the current Domain Name Service Agreement posted on www.domains.PH.

Wherefore in consideration of these premises and for other good and valuable consideration the sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Registrant's Relinquishment of the Domain Name

The Registrant hereby relinquishes its registration of the Domain Name and discharges dotPH from all obligations under the Agreement. The Registrant releases dotPH from all claims, liabilities or demands arising from the Agreement. The Registrant further acknowledges and agrees that it is not entitled to a refund of any fees it may have paid to dotPH Inc. Nothing contained in this Registrant Name Change Agreement shall be construed as an assignment of the Registrant's Rights under the Agreement. The Registrant hereby authorizes dotPH Inc. to take all steps necessary to register the Domain Name to the New Registrant, including without limitation, disassociating the Domain Name from the host servers designated by the Registrant without further notice.

2. New Registrant's Registration of the Domain Name.

The New Registrant acknowledges that it has reviewed and understands the terms, conditions, representations and warranties of dotPH 's Service Agreement in effect as of the date of the New Registrant's Application. The New Registrant, by signing and sending this Registrant Name Change Agreement to dotPH Inc, agrees to be bound by and to perform in accordance with the terms and conditions of dotPH's Domain Name Service Agreement, incorporated herein by reference, which includes, but is not limited to, dotPH's current Domain Name Dispute Policy. The New Registrant specifically agrees to pay dotPH Inc. a Registrant Name Change Fee. To the extent the terms and conditions of dotPH's current Service Agreement conflict with the terms and conditions of this Registrant Name Change Agreement, the terms and conditions of this Registrant Name Change Agreement shall prevail.

3. Expiration of the New Registrant's Service Agreement:

The New Registrant's Service Agreement expires on the same date that Current Registrant's Service Agreement does. The Current Registrant warrants that the Service Agreement has at least 15 days left before expiration, as of the effective date of this Contract. dotPH explicitly prohibits the transferring of Domain Names whose Service Agreements have already expired.

The Notary Public is required to notarize this form and to certify the Current Registrant's signature and New Registrant's signature.
